## **SECTION 3—ASSOCIATION MEMBERSHIP**

3.1 Membership. Each Owner shall be a Member of the Association by virtue of Lot ownership, and the membership shall be transferred with the conveyance of the Owner's interest in the Lot. An Owner's membership shall terminate when the Owner's ownership terminates. When more than one Person is an Owner of a Lot, each such Person shall be a member of the Association, but multiple ownership of a Lot shall not increase the voting rights allocated to such Lot nor authorize the division of the voting rights.

3.2 Voting and Common Expenses. Voting rights and Common Expense obligations are allocated equally among the Lots, except that special allocations of Common Expenses shall be permitted as provided in Section 5.

3.3 Appurtenant Rights and Obligations. The ownership of a Lot shall include the voting rights and Common Expense obligations described in this Declaration. Said rights, obligations and interests, and the title to the Lots, shall not be separated or conveyed separately.

3.4 Authority to Vote. The Owner, or some natural person designated to act as proxy on behalf of the Owner, and who need not be an Owner, may cast the vote allocated to such Lot at meetings of the Association; provided that if there are multiple Owners of a Lot, only the Owner or other Person designated pursuant to the provisions of the Bylaws may cast such vote. The voting rights of Owners are more fully described in the Bylaws.

3.5 Declarant Control. Notwithstanding the voting provisions of this Section, Declarant may appoint all Board members and officers of the Association during the period of declarant control, subject to the qualifications described in Section 10.4.

3.6 Master Association. The common interest community is not subject to a "master association," as such term is defined under the Act.

## **SECTION 4—ADMINISTRATION**

4.1 General. The Association shall, subject to the rights of the Owners set forth in the Governing Documents, be responsible for the operation, management and control of the Property. All power and authority of the Association shall be vested in the Board, unless action or approval by the Owners is specifically required by the Governing Documents.

4.2 Rules and Regulations. The Board shall have exclusive authority to approve and implement such reasonable Rules and Regulations as it deems necessary from time to time for the purpose of operating and administering the affairs of the Association and regulating the use of the Property; provided that the Rules and Regulations shall not be inconsistent with the Governing Documents.

## **SECTION 5—ASSESSMENTS FOR COMMON EXPENSES**

5.1 General. The assessments levied by the Association shall be used to promote the recreation, health, safety, and welfare of the residents in the Property and for the maintenance of the private roads within UNNAMED PLAT 8.

5.2 Amounts and Types. Assessments for Common Expenses shall be determined and assessed against the Lots by the Board, in its discretion, subject to the limitations set forth in this Section, and the requirements of the Bylaws. Assessments for Common Expenses shall include annual assessments and may include special assessments. Assessments shall be allocated equally among the Lots, subject to the following qualifications:

- a. Any Common Expenses benefiting only the Lots situated on Acorn Lane or utilizing Acorn Lane for access to Van Road West and Rice Lake Road (CSAH No. 4) as a class, shall be assessed exclusively against such Lots on a basis of equality. Any Common Expense benefiting only the Lots situated to west of Lot 12, Block 1, UNNAMED PLAT 8 as a class, shall be assessed exclusively against such Lots on the basis of equality. Any Common Expense benefiting only the Lots situated to the east of Lot 11, Block 1, UNNAMED PLAT 8, as a class, shall be assessed exclusively against such Lots on the basis of equality. Any Common Expense or portion thereof benefiting fewer than all of the Lots but not falling within the foregoing provisions of this subsection may be assessed exclusively against the Lots benefited, on the basis of (i) equality, (ii) square footage of the area being maintained, repaired or replaced, or (iii) the actual cost incurred with respect to each Lot.<sup>6</sup>
- b. Reasonable attorneys' fees and other costs incurred by the Association in connection with (i) the collection of assessments and (ii) the enforcement of the Governing Documents against an Owner or Occupant or their guests, may be assessed against the Owner's Lot.
- c. If any damage to the private roads within UNNAMED PLAT 8 is caused by the act or omission of any Owner or Occupant, or their guests, the Association may assess the costs of repairing the damage exclusively against the Owner's Lot.
- d. If any installment of an assessment becomes more than 30 days past due, then the Association may, upon 10 days written notice to the Owner, declare the entire amount of the assessment immediately due and payable in full.

5.3 Special Assessments. In addition to annual assessments, and subject to the limitations set forth hereafter, the Board may levy special assessments against all Lots for the purpose of defraying in whole or in part (i) the cost of any unforeseen or unbudgeted Common Expense, (ii) general or specific reserves for maintenance, repair or replacement, and (iii) the maintenance, repair or replacement of any part of the Property, and any fixtures or other property

---

<sup>6</sup> Only Lot 1, Block 1 will be accessed for maintenance of Acorn Lane. Only Lots 2 – 11, Block 1 will be accessed for maintenance of the northern segment of Van Road East. Only Lots 12 – 28, Block 1 will be accessed for maintenance of the easterly segment of Van Road East.

related thereto. Notwithstanding the foregoing, any special assessment shall be subject to approval by the vote of a majority of those Owners voting at a meeting called for that purpose.

5.4 Working Capital Fund. Declarant shall establish a working capital fund to meet unforeseen expenditures or to purchase additional equipment or services. There shall be contributed to the working capital fund on a one-time basis for each Lot sold by Declarant the sum of \$100.00<sup>7</sup>. The contribution to the working capital fund shall be paid at the time of closing of the sale of the Lot. The amounts paid into this fund are in addition to the regular annual assessments. The funds shall be deposited into the Association's account.

5.5 Liability of Owners for Assessments. The Owner at the time an assessment is payable with respect to the Lot shall be personally liable for the share of the Common Expenses assessed against such Lot. The Association may invoke the charges, sanctions and remedies set forth in the Governing Documents or by law, for the purpose of enforcing its rights hereunder.

5.6 Declarant's Alternative Assessment Program. The Property shall not be subject to an alternate common expense plan under Section 515B.3-1151(a)(2)(i) of the Act.

5.7 Assessment Lien. The Association has a lien on a Lot for any assessment levied against that Lot from the time the first installment of the assessment becomes due. Fees, charges, late charges, fines and interest charges imposed by the Association are also liens, and are enforceable as assessments under this Section. Recording of the Declaration constitutes record notice and perfection of any lien under this Section, and no further recordation of any notice of the lien is required.

5.8 Foreclosure of Lien: Remedies. A lien for Common Expenses may be foreclosed against a Lot (i) by action, or (ii) by advertisement as a lien under a mortgage containing a power of sale. The Association shall, in addition, have the right to pursue any other remedy at law or in equity against the Owner who fails to pay any assessment or charge against the Lot.

## **SECTION 6—RESTRICTIONS ON USE OF PROPERTY**

All Owners and Occupants, and all secured parties, by their acceptance or assertion of an interest in the Property, or by their occupancy of a Lot, covenant and agree that, in addition to any other restrictions which may be imposed by the Governing Documents, the occupancy, use, operation, alienation and conveyance of the Property shall be subject to the following restrictions:

6.1 Residential Use. The Lots shall be used by Occupants and their guests exclusively for single-family residential uses (whether primary, vacation, or recreational). The use of a dwelling or any other improvement upon the Lot by an Owner or Occupant for home office or studio uses, which are incidental to the principal residential use of the Lot, which comply with applicable zoning ordinances, and which do not invite or generate regular or frequent visits by clients, customers, employees, coworkers, or the public shall not be considered a violation of this restriction.

---

<sup>7</sup> The amount required to be contributed to the working capital fund is subject to change prior to recording. The amount will not exceed the greater of \$100 or an amount equal to two (2) months installments of the annual assessments.

6.2 Leasing. Leasing of Lots shall be allowed, subject to all applicable laws, ordinances and regulations. All leases shall provide that they are subordinate and subject to the provisions of the Governing Documents and any applicable laws, ordinances, and regulations.
