2.1 Lots. The Lots and their characteristics are as follows:

2.1.1 There are sixteen (16) Lots. Each Lot constitutes a separate parcel of real estate.

2.1.2 The front, rear, and side boundaries of each Lot shall be the boundary lines of the platted lot as shown on the Plat. The Lots shall have no upper or lower boundaries.

2.1.3 All Lots except the Access Lot are restricted to residential use, as set forth in Section 6.1. The Access Lot is restricted to nonresidential use, as set forth in Section 6.6.

2.1.5 The “Unit identifier” for a Lot shall be its lot and block numbers and the subdivision name.

2.2 Common Elements. There are no Common Elements in the common interest community.

## **SECTION 3—ASSOCIATION MEMBERSHIP**

3.1 Membership. Each Owner shall be a Member of the Association by virtue of Lot ownership, and the membership shall be transferred with the conveyance of the Owner’s interest in the Lot. An Owner’s membership shall terminate when the Owner’s ownership terminates. When more than one Person is an Owner of a Lot, each such Person shall be a member of the Association, but multiple ownership of a Lot shall not increase the voting rights allocated to such Lot nor authorize the division of the voting rights.

3.2 Voting and Common Expenses. Voting rights and Common Expense obligations are allocated equally among the Lots, except that special allocations of Common Expenses shall be permitted as provided in Section 5. Notwithstanding the foregoing, the Access Lot shall be allocated no voting rights and no fraction or percentage of Common Expenses.

3.3 Appurtenant Rights and Obligations. The ownership of a Lot shall include the voting rights and Common Expense obligations described in this Declaration. Said rights, obligations and interests, and the title to the Lots, shall not be separated or conveyed separately.

3.4 Authority to Vote. The Owner, or some natural person designated to act as proxy on behalf of the Owner, and who need not be an Owner, may cast the vote allocated to such Lot at meetings of the Association; provided that if there are multiple Owners of a Lot, only the Owner or other Person designated pursuant to the provisions of the Bylaws may cast such vote. The voting rights of Owners are more fully described in the Bylaws.

3.5 Declarant Control. Notwithstanding the voting provisions of this Section, Declarant may appoint all Board members and officers of the Association during the period of declarant control, subject to the qualifications described in Section 10.2.

3.6 Master Association. The common interest community is not subject to a “master association,” as such term is defined under the Act.

#### **SECTION 4—ADMINISTRATION**

4.1 General. The Association shall, subject to the rights of the Owners set forth in the Governing Documents, be responsible for the operation, management and control of the Property, including the private road necessary for access to and within the Property. All power and authority of the Association shall be vested in the Board unless action or approval by the Owners is specifically required by the Governing Documents.

4.2 Rules and Regulations. The Board shall have exclusive authority to approve and implement such reasonable Rules and Regulations as it deems necessary from time to time for the purpose of operating and administering the affairs of the Association and regulating the use of the Property; provided that the Rules and Regulations shall not be inconsistent with the Governing Documents.

4.3 Resale Disclosure Certificates. Pursuant to Section 515B.4-107 of the Act, in the event of a resale of a Lot by an Owner other than the Declarant, that Owner shall furnish to the purchaser a resale disclosure certificate containing the information required by Section 515B.4-107(b) of the Act. Pursuant to Section 515B.4-107(d) of the Act, the Association shall, within ten days after a request by an Owner of the Owner’s authorized representative, furnish the resale disclosure certificate. The Association may charge a reasonable fee for furnishing the resale disclosure certificate and any documents related thereto.

#### **SECTION 5—ASSESSMENTS FOR COMMON EXPENSES**

5.1 General. The assessments levied by the Association shall be used to promote the recreation, health, safety, and welfare of the residents in the Property and for the maintenance of the private road necessary for access to and within the Property, namely, Carey Road (“Private Road”), as depicted and more particularly described in the Road Easements defined in Section 8.2 below.

5.2 Amounts and Types. Assessments for Common Expenses shall be determined and assessed against the Lots by the Board, in its discretion, subject to the limitations set forth in this Section, and the requirements of the Bylaws. Assessments for Common Expenses shall include annual assessments and may include special assessments. Assessments shall be allocated equally among the Lots, subject to the following qualifications:

5.2.1 Any Common Expense or portion thereof benefiting fewer than all of the Lots but not falling within the foregoing provisions of this subsection may be assessed exclusively against the Lots benefited, on the basis of (i) equality, (ii) square footage of the area being maintained, repaired or replaced, (iii) the actual cost incurred with respect to each Lot, or (iv) in proportion to usage.

5.2.2 Reasonable attorneys' fees and other costs incurred by the Association in connection with (i) the collection of assessments and (ii) the enforcement of the Governing Documents against an Owner or Occupant or their guests, may be assessed against the Owner's Lot.

5.2.3 If any damage to the Private Road is caused by the act or omission of any Owner or Occupant, or their guests, the Association may assess the costs of repairing the damage exclusively against the Owner's Lot.

5.2.4 If any installment of an assessment becomes more than 30 days past due, then the Association may, upon 10 days written notice to the Owner, declare the entire amount of the assessment immediately due and payable in full.

5.2.5 As provided in Section 3.2 above, the Access Lot shall be allocated no fraction or percentage of Common Expenses.

5.3 Special Assessments. In addition to annual assessments, and subject to the limitations set forth hereafter, the Board may levy special assessments against all Lots for the purpose of defraying in whole or in part (i) the cost of any unforeseen or unbudgeted Common Expense, (ii) general or specific reserves for maintenance, repair or replacement, and (iii) the maintenance, repair or replacement of any part of the Property, and any fixtures or other property related thereto. Notwithstanding the foregoing, any special assessment shall be subject to approval by the vote of a majority of those Owners voting at a meeting called for that purpose.

5.4 Liability of Owners for Assessments. The Owner at the time an assessment is payable with respect to the Lot shall be personally liable for the share of the Common Expenses assessed against such Lot. The Association may invoke the charges, sanctions and remedies set forth in the Governing Documents or by law, for the purpose of enforcing its rights hereunder.

5.5 Declarant's Alternative Assessment Program. The Property shall not be subject to an alternate common expense plan under Section 515B.3-1151(a)(2)(i) of the Act.

5.6 Assessment Lien. The Association has a lien on a Lot for any assessment levied against that Lot from the time the first installment of the assessment becomes due. Fees, charges, late charges, fines and interest charges imposed by the Association are also liens, and are enforceable as assessments under this Section. Recording of the Declaration constitutes record notice and perfection of any lien under this Section, and no further recordation of any notice of the lien is required.

5.7 Foreclosure of Lien: Remedies. A lien for Common Expenses may be foreclosed against a Lot (i) by action, or (ii) by advertisement as a lien under a mortgage containing a power

of sale. The Association shall, in addition, have the right to pursue any other remedy at law or in equity against the Owner who fails to pay any assessment or charge against the Lot.

## **SECTION 6—RESTRICTIONS ON USE OF PROPERTY**

All Owners and Occupants, and all secured parties, by their acceptance or assertion of an interest in the Property, or by their occupancy of a Lot, covenant and agree that, in addition to any other restrictions which may be imposed by the Governing Documents, the occupancy, use, operation, alienation and conveyance of the Property shall be subject to the following restrictions:

6.1 Residential Use. All the Lots shall be used by Owners and Occupants and their guests exclusively for single-family residential uses (whether primary, vacation, or recreational). The use of a dwelling or any other improvement upon the Lot by an Owner or Occupant for home office or studio uses, which are incidental to the principal residential use of the Lot, which comply with applicable zoning ordinances, and which do not invite or generate regular or frequent visits by clients, customers, employees, coworkers, or the public shall not be considered a violation of this restriction.

6.2 Leasing. Leasing of Lots shall be allowed, subject to reasonable regulation by the Association, and further subject to all applicable laws, ordinances and regulations. All leases shall provide that they are subordinate and subject to the provisions of the Governing Documents and any applicable laws, ordinances, and regulations.

6.3 Private Road. No obstructions shall be placed, installed or maintained within the Private Road. The Private Road shall not be used for storage of any kind. The Private Road shall not be used for parking, except in the event of an emergency and then only for so long as the emergency exists. The Association may impose such reasonable Rules and Regulations as may be necessary to regulate the use of the Private Road, consistent with this Section and the Road Easements defined in Section 8.2 below, including but not limited to the right of the Association to tow illegally parked vehicles or to remove unauthorized personal property.

6.4 No Time Shares. No time shares are permitted.

6.5 Shoreland. The common interest community includes shoreland, as defined in Minnesota Statutes, Section 103F.205, and may be subject to county, township, or municipal ordinances or rules affecting the development and use of the shoreland area.

6.6 Subdivision Prohibited. No Lot may be subdivided or partitioned in any manner that creates additional Lots within the Property.

6.7 Access Lot. The Access Lot is a water access only Lot. The Access Lot shall be used only for access to Island Lake Reservoir by the Owners and Occupants of the Access Lot and such other incidental uses related thereto, including but not limited to the storage of boats, trailers, and other personal property owned by the Owners and Occupants of the Access Lot. Use of the Access Lot for residential purposes is prohibited.

## **SECTION 7—MAINTENANCE**

7.1 Maintenance by Association. The Association, subject to the rights of the Owners as set forth in this Declaration, shall be responsible for, and be vested with, the exclusive management, control and maintenance of the Private Road. The Association's obligation to maintain the Private Road includes but is not necessarily limited to routine maintenance and repair, grading, drainage, dust control, and removing snow and debris.

7.2 Maintenance by Owner. Except for the road maintenance required to be provided by the Association under this Section 7, all maintenance of the Lots, including any improvements thereon, shall be the sole responsibility and expense of the Owners thereof. Each Owner shall be responsible for maintaining the driveway that provides access from such Owner's Lot to the Private Road. Each Owner shall be responsible for maintaining such Owner's access to Island Lake Reservoir in accordance with the terms and conditions of the recorded Declaration of Lot Owner Reservoir Access Easement benefiting such Owner's Lot.

## **SECTION 8—EASEMENTS**

8.1 Easement for Maintenance, Repair, Replacement and Reconstruction. Each Lot, and the rights of the Owners and Occupants thereof, shall be subject to the rights of the Association to an exclusive, appurtenant easement on and over the Lots to the extent necessary to fulfill the Association's obligations under the Governing Documents.

8.2 Access Easements. Except as provided in Section 6.7, each Lot is subject to and the beneficiary of the following easements (collectively, "Road Easements") necessary for access from the Property to Rice Lake Road:

8.2.1 Declaration of Appurtenant Roadway Easement by ALLETE, Inc., d/b/a Minnesota Power dated \_\_\_\_\_, 2023 and recorded \_\_\_\_\_, 2023 as Document No. \_\_\_\_\_ in the Office of the County Recorder of St. Louis County, Minnesota ("Appurtenant Roadway Easement").

8.2.2 Easement and Maintenance Agreement by and among Aaron Pitrago and Ericka Pitrago, The Karl G. and Debra A. Johnson Revocable Living Trust, The Donald L. and Janet O. Peterson Irrevocable Trust and ALLETE, Inc. dated \_\_\_\_\_, 2023 and recorded on \_\_\_\_\_, 2023 as Document No. \_\_\_\_\_ in the Office of the County Recorder of St. Louis County, Minnesota.

8.2.3 Road Easement by and between James E. Broman and Carol M. Broman and Minnesota Power & Light Company dated April 14, 1997 and recorded on July 15, 1997 as Document No. 691121 in the Office of the County Recorder of St. Louis County, Minnesota.

8.3 Utilities Easements. The Property shall be subject to non-exclusive, appurtenant easements for all utilities, water and sewer, and similar services, which exist from time to time, as constructed as part of the development of the Property or referred to in the Plat, or as otherwise described in this Declaration or any other duly recorded instrument. Each Lot, and the rights of the Owners and Occupants thereof, shall be subject to a non-exclusive easement in

favor of the other Lots for all such services, including without limitation any sewer or water lines servicing other Lots.

8.4 Driveway Easements. Each Lot (“Benefitted Lot”) that is served by a gravel driveway (“Existing Driveway”) laid out on or across another Lot (“Burdened Lot”) on the date of this Declaration is granted a non-exclusive easement over and across that part of the Burdened Lot upon which the Existing Driveway is located (“Driveway Easement Area”) for purposes of (a) year-round vehicular and pedestrian access to and from the nearest road within the common interest community, (b) maintenance and repair of the Existing Driveway as a gravel driveway, and (c) snow removal, subject to any restrictions set forth in the Governing Documents. No use of the Burdened Lot that has the effect of blocking or otherwise interfering with use of Driveway Easement Area shall be permitted, e.g. no parking, no storage, and no structures or other improvements within the Driveway Easement Area. For purposes of this Declaration, the Driveway Easement Area shall include the driving surface of the Existing Driveway, plus sufficient width on each side of the driving surface to adequately maintain and repair the Existing Driveway, including snow removal. Notwithstanding anything to the contrary contained in this Declaration, maintenance and repair of the Driveway Easement Area, including snow removal, shall be the responsibility of the Owner(s) of the Benefitted Lot.

8.5 Lot Owner Reservoir Access Easements. Each Lot in the common interest community is the beneficiary of an easement over, under and across a strip of land adjacent to the Lot and bounded on the sides by the lakeward extensions of the Lot to place a seasonal dock, fish, swim and use the reservoir access easement area for other recreational purposes. The reservoir easement area for each Lot is more particularly described in the applicable recorded easement for access to Island Lake Reservoir and is subject to regulations imposed by the Federal Energy Regulatory Commission and all other terms and conditions set forth in the Governing Documents and the recorded easement applicable to each Lot.

8.6 Appurtenant Easements. All easements and similar rights burdening or benefiting a Lot or any other part of the Property shall run with the land, and shall be permanent, subject only to termination in accordance with the Act or the terms of the easement. Notwithstanding anything contained in this Declaration to the contrary, in no event shall an Owner or Occupant be denied reasonable access to his or her Lot or the right to utility services thereto, and any amendment to this Declaration that eliminates or modifies any of the access or utility easements granted herein requires the written consent of the affected Lot Owners.

## **SECTION 9—COMPLIANCE AND REMEDIES**

9.1 Entitlement to Relief. The Association may commence legal action to recover sums due, for damages, for injunctive relief or to foreclose a lien owned by it, or any combination thereof, or an action for any other relief authorized by the Governing Documents or available at law or in equity. Legal relief may be sought by the Association against any Owner, or by an Owner against the Association or another Owner, to enforce compliance with the Governing Documents.

9.2 Sanctions and Remedies. In addition to any other remedies, the Association shall have the right, but not the obligation, to implement any one or more of the following actions against Owners and Occupants and/or their guests, who violate the provisions of the Governing Documents:

9.2.1 Commence legal action for damages or equitable relief.

9.2.2 Impose late charges of up to fifteen percent (15%) of each late payment of an assessment or installment thereof.

9.2.3 In the event of default of more than sixty (60) days in the payment of any assessment or installment thereof, all remaining installments of assessments assessed against the Lot owned by the defaulting Owner may be accelerated and shall then be payable in full if all delinquent assessments, together with all costs of collection and late charges, are not paid in full prior to the effective date of the acceleration.

9.2.4 Impose reasonable fines, penalties or charges for each violation of the Governing Documents.

9.2.5 Foreclose any lien arising under the provisions of the Governing Documents or under law, in the manner provided for the foreclosure of mortgages by action or under a power of sale in the state where the Property is located.

9.3 Lien for Charges, Penalties, Etc. Any assessments, charges, fines, penalties or interest imposed under this Section shall be a lien against the Lot of the Owner or Occupant against whom the same are imposed and the personal obligation of such Owner in the same manner and with the same priority and effect as assessments. All remedies shall be cumulative, and the exercise of, or failure to exercise, any remedy shall not be deemed a waiver of the right to pursue any others.

9.4 Costs of Proceeding and Attorneys' Fees. With respect to any collection measures, or any measures or action, legal administrative, or otherwise, which the Association takes to enforce the provisions of the Governing Documents whether or not finally determined by a court or arbitrator, the Association may assess the violator and his or her Lot with any expenses incurred in connection with such enforcement, including without limitation fines or charges previously imposed by the Association, reasonable attorneys' fees, and interest (at the highest rate allowed by law) on the delinquent amounts owed to the Association.

## **SECTION 10—SPECIAL DECLARANT RIGHTS**

Declarant hereby reserves exclusive and unconditional authority to exercise the following rights defined as “special declarant rights” in the Act, for as long as it owns a Lot or for such shorter period as may be specifically indicated:

10.1 Signs. To erect and maintain signs offering the Lots for sale, on any Lot owned by Declarant .

10.2 Control of Association. To control the operation and administration of the Association, including without limitation the power to appoint and remove officers and directors of the Board, during the “period of declarant control.” The period of declarant control begins on the date of recording of this Declaration and terminates upon the earliest of the following events: three (3) years after the date of the first conveyance of a Lot to a Lot Owner other than the

Declarant; the Declarant's voluntary surrender of control by giving written notice to the Lot Owners pursuant to Section 515B.1-115 of the Act; or the conveyance of 75 percent of the Lots to Lot Owners other than the Declarant. Notwithstanding the foregoing, the Owners (other than the Declarant) shall have the right to nominate and elect not less than thirty-three and one-third percent (33 1/3%) of the directors at a meeting of the Owners which shall be held within sixty (60) days following the conveyance by the Declarant of fifty percent (50%) of the number of Lots included in the Property.

10.3 Consent to Amendments. To consent to amendments to the Declaration, Articles of Incorporation, Bylaws and Rules and Regulations for so long as the Declarant owns any portion of the Property.

### **SECTION 11—AMENDMENTS**

This Declaration may be amended by the consent of Owners of Lots to which are allocated at least 75 percent of the votes in the Association and the consent of Declarant for so long as Declarant owns any portion of the Property, subject to the qualifications set forth in Section 515B.2-118 of the Act. Consent of the Owners may be obtained in writing or at a meeting of the Association duly held in accordance with the Bylaws. Consents of the Declarant shall be in writing. An affidavit by the President or Secretary of the Association as to the outcome of the vote, or the execution of the foregoing agreements or consents, shall be adequate evidence thereof for all purposes, including without limitation, the recording of the amendment.
